

INQUIRY

**If you have any questions about your inquiry,
please always state our reference number.**

The following information will help us to process your request as quickly as possible.

The following information must be included in your request

- ✓ Article description
- ✓ Quantities
- ✓ Material specification (alternatives, if applicable)
- ✓ Specification of surface and heat treatments or additional machining processes
- ✓ Offer deadline
- ✓ Technical production drawing as PDF (not scanned and not write-protected)
- ✓ 3D file in STEP format (identical to production drawing)

Optional manufacturing information for your components

- ✓ Component identification: type, position + content of engraving
- ✓ General tolerances (if not specified, production is in accordance with DIN ISO 2768-mK)
- ✓ Desired delivery date / target price

Optional information on certification requirements

- ✓ Material certificates
- ✓ Initial sample inspection report (EMPB) (Yes/No)
- ✓ Logging requirements, such as measurement logs
- ✓ Other desired certificates/testimonials

Please let us know in your enquiry if you have any special requirements for your components. This will enable us to prepare your quotation promptly and ensure on-time delivery. We are always available to clarify any queries you may have. You can reach us by e-mail at info@streametal.de or by phone at **+49 2421 6950 160**. Thank you very much for your cooperation!
